

Revolutionizing Aircraft Maintenance Information Management, Distribution and Access™

eMan enables your electronic OEM subscriptions, applications and files required to service an aircraft to be immediately accessible any time, any place, from any device. eMan resides at your location or via AviT's eManWeb.™

- Eliminates costly duplicate subscriptions
- Compatible with all applications
- Reduces IT support
- Improves document and revision control
- Full audit capabilities
- Host internally or via AviT's eManWeb™ ASP

Control, manage and access your data. Any time, Any place, Any device. That's the power of eMan.

Call or click today, to receive your demo CD or to arrange
a personal Webex demonstration
